

# TISSOCYL RLB

highly concentrated wasch- and wetting agent  
with very good fat and oil dissolving properties

## emulsifying of mineral oils:

without  
detergent

TISSOCYL RLB

before  
scouring

scoured 1 g/l  
TISSOCYL RLB

coloured mineral oil, scouring conditions: 20 min 80°C

## deterging power:

excellent absorbency  
and re-wetting power  
after bleaching

- **excellent wetting and deterging power**
- **very high degreasing effect**
- **outstanding emulsifying behaviour**
- **high soil suspending power**
- **free of formaldehyde, biodegradable  
conform to Oeko-Tex Standard 100**
